Free Fundraisers

Help earn funds for our school without selling anything! There are many ways that you can contribute with very little effort.

Several companies offer cash back or free merchandise if we sent in labels or UPC codes. Get into the habit of clipping and saving participating labels or UPC codes. Designate a drawer, box, or bag to hold your items and then turn them in to school. You can drop them of at the both the elementary and middle school offices or send them in with your student. Be sure to check the PIT for various different contests that DCS puts on to help raise the most money.

Look inside this booklet to find details on each of our free fundraisers that requires just a few minutes of your time to clip labels or UPC codes. The last page contains the items that we can send in to our recycling partner, Terracycle, for cash.
